## 11<sup>th</sup> Annual WRHS Foundation Golf Classic Winners Announced

Batesville, Ark. – Batesville's, Father's day tradition, the White River Health System Golf Classic was Saturday at the Course at Eagle Mountain. Tournament proceeds benefit the Josephine Raye Rogers Center for Women and Imaging. More than 75 companies joined Golf Classic major sponsors Consumer Collection Management, Cromwell Architects Engineers, Nabholz Construction, RehabCare Group, PepsiAmericas and The Course at Eagle Mountain to support the tournament and raised more than \$122,000.00. The team of Tim Bruner, Adrian Barnett, Joseph Branstetter, and Jered Lillard with a score of 56 won the four-person scramble in a field of 42 teams. The day also featured a long drive demonstration by Sean "The Beast" Fister of Little Rock, 2-time World Long Drive Champion.

In its eleventh year, the WRHS Foundation Golf Classic raises funds for projects at White River Health System Facilities. The Foundation was formed in 1992 to raise funds for capital projects, medical technology and scholarships to advance patient care.

“ We are very grateful to all the sponsors, players and volunteers for their support of the tournament,” said Gary Bebow, WRMC Administrator/CEO. “The generosity of the community and our corporate donors enables us to improve healthcare services available in this region.”
