

Gary McDonald Joins White River Health System

March 2007 - Batesville, Ark. – Gary L. Bebow, CEO/Administrator has announced the appointment of Gary McDonald to the position of Associate Administrator for Human Resources and Employee Health at White River Health System. In this position, McDonald will be responsible for management of Human Resource functions at all WRHS facilities.

“Gary has a wealth of knowledge and talent in human resource management,” said Bebow. “He is a strong leader and a great addition to our Administrative team.”

McDonald gained over 25 years experience in Human Resources during his 33 year tenure with Eastman Chemical Company. He is active in community affairs serving on the Board of Visitors of the University of Arkansas Community College at Batesville and Arkansas Sheriff’s Youth Ranches. He is also a member of the Batesville Area Chamber of Commerce Economic Development Foundation. He served for seven years as a member of the White River Health System Board of Directors and is a past President of the Batesville Area Chamber of Commerce Board of Directors.

“I’m excited about the opportunity to be part of the White River Health System team. My Arkansas Eastman experience afforded me the chance to work with some truly outstanding people, and I’m fortunate to be joining another first-class organization with quality people.”

White River Health System is a not-for-profit, multi-facility healthcare organization serving residents of North Central Arkansas. The system includes hospitals, rural health clinics, physician offices, outpatient rehabilitation centers, long-term care facilities, home health agencies, hospice, and a home medical equipment company.

said she had been given such good care and had such a good time; isn't ready to go home.
